With more than 50 years of service to the history community, the **Connecticut League of History Organizations** continues its mission to unite, support and promote historical interests and activities statewide.

Our members include:

- 🍃 paid staff
- 🍃 students
- 🍃 independent professionals

Organizations—

- 🍃 museums
- 🍃 historical societies
- 🍃 historic houses and sites
- 🍃 libraries and archives

Professionals—

- 🍃 consultants
- 🍃 vendors
- 🍃 other museum related professionals

No matter what stage or age, all share a passion for history and enjoy life-long learning as well as discovering new friends and colleagues in the field.

Designed to meet the practical needs of history organizations, our programs are presented in a variety of formats including day-long seminars, half-day workshops, and an all-day annual conference.

Professional membership in CLHO will expose your business to a wide range of individuals and organizations in the history community. Designed to increase your exposure and present you with new promotional and marketing opportunities, professional membership offers your services to an audience not otherwise readily accessible.

Our quarterly *Bulletin* keeps members in touch with history activities and issues statewide. It offers practical advice on topics ranging from grant-writing and exhibition planning to disaster management and collections care.
